

Directions to Port Coordination Center

Port of Houston Authority

From South:

- Take 610 East Loop northbound (over the ship channel bridge)
- After crossing over the bridge, but before you get to bottom of bridge, there will be an exit for “Port of Houston” (Exit 29)
- Take exit and follow signs around to Main Car Entrance (bypass the Truck Entrance, they won’t let you in there)
- Gate guard will check your ID (driver’s license or military ID is fine)
- Proceed straight ahead to a blinking traffic light (1/2 mile), continue straight
- After about 1 mile, you will come to a stop sign. Turn right and then take your first right into the parking lot (you will see flagpoles with flags). Park anywhere.
- Enter the front doors and dispatch will buzz you in

From North:

- Take 610 East Loop southbound (toward the ship channel bridge)
- Right before you go over the bridge, there will be an exit for “Port of Houston” (Exit 29)
- Take exit and follow signs to Main Car Entrance
- Gate guard will check your ID (driver’s license or military ID is fine)
- Proceed straight ahead to a blinking traffic light (1/2 mile), continue straight
- After about 1 mile, you will come to a stop sign. Turn right and then take your first right into the parking lot (you will see flagpoles with flags). Park anywhere.
- Enter the front doors and dispatch will buzz you in
